

CORPORATE YOGA & WORKPLACE WELLBEING

Corporate Yoga

Classical yoga, breathing and meditation for the working day: from a weekly class to a team day retreat.

Avana Yoga is a traditional yoga school and a Yoga Alliance Registered Yoga School. We teach yoga as it has been taught in India for generations, and in a workplace we keep it simple and useful: time away from the screen, a body that has moved, and a mind that has had a few quiet minutes. No experience or particular fitness is needed. We have taught teams at IT companies and educational institutes.

Ways to practise together

Workplace yoga: movement, breathing and relaxation, gentle or more active

Chair yoga and movement breaks: for offices and meeting rooms, no mat needed

Breathing and meditation: a quiet moment in a busy day

Wellbeing workshops: one theme, practice and ideas to take home

Team day retreats: yoga, meditation, Yoga Nidra and time outdoors

Why a teacher-training school

We train yoga teachers. The standard in your meeting room is the one we hold our trainees to.

A team, not one person. Led by Yogi Madhav and teachers chosen for each programme.

Depth made practical. Rooted in the classical tradition, simple enough to use at a desk.

Fully insured. £5 million liability insurance, UK and worldwide.
